Monday - August 8, 2022

Today is arrival day! Upon arrival at Boston Logan International airport, locate the Hotel shuttle stop outside of your terminal. When you arrive at the airport, call 617-568-1234 for the shuttle. Press 0 to talk to someone for airport pickup. The shuttle can take up to 20 minutes to arrive at the airport.

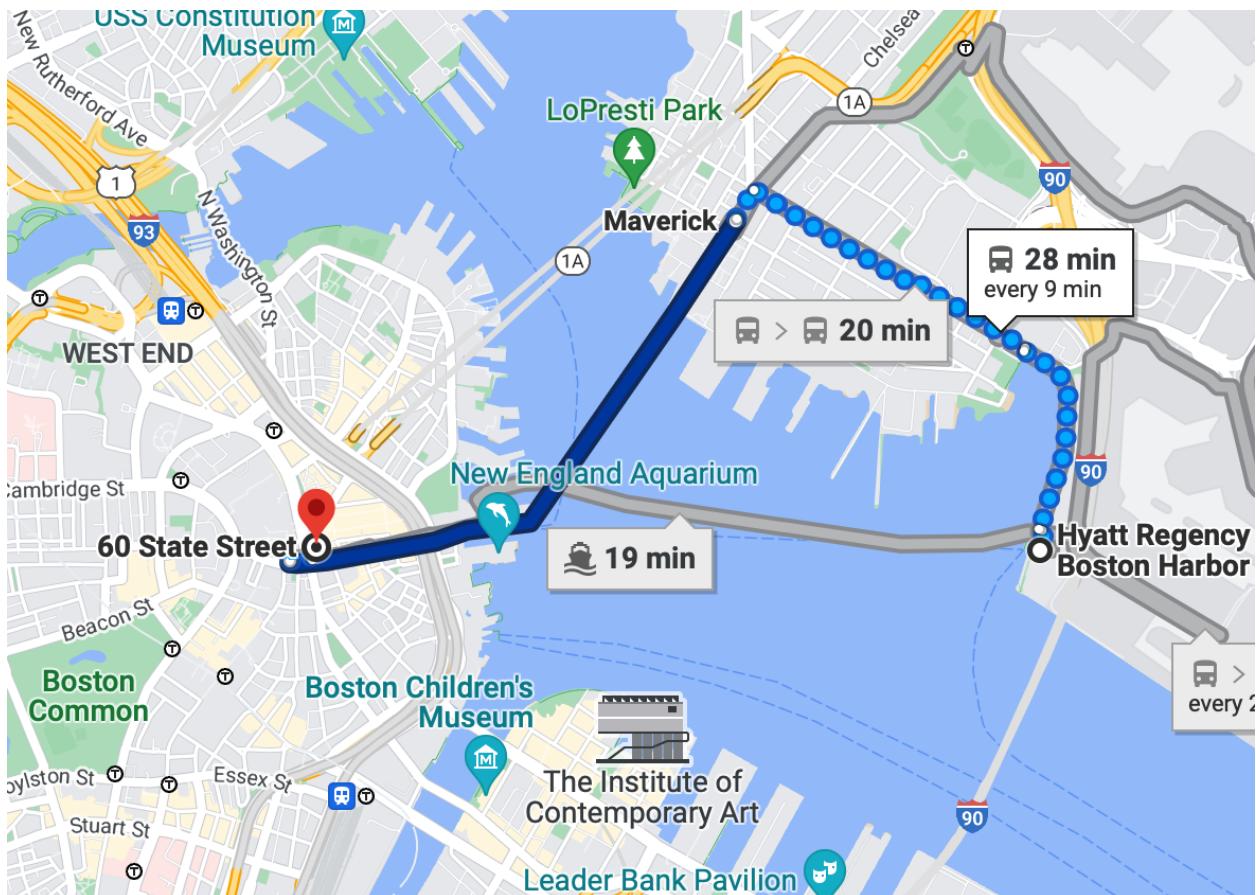

After the shuttle ride, go ahead and check in to the hotel. If you have any issues getting checked in, please call Tommy at 919-539-8597.

Upon check in at the hotel, you will receive a packet with Covid-19 quick tests. For the health and safety of the other Hubbers attending this event, please take a test when you

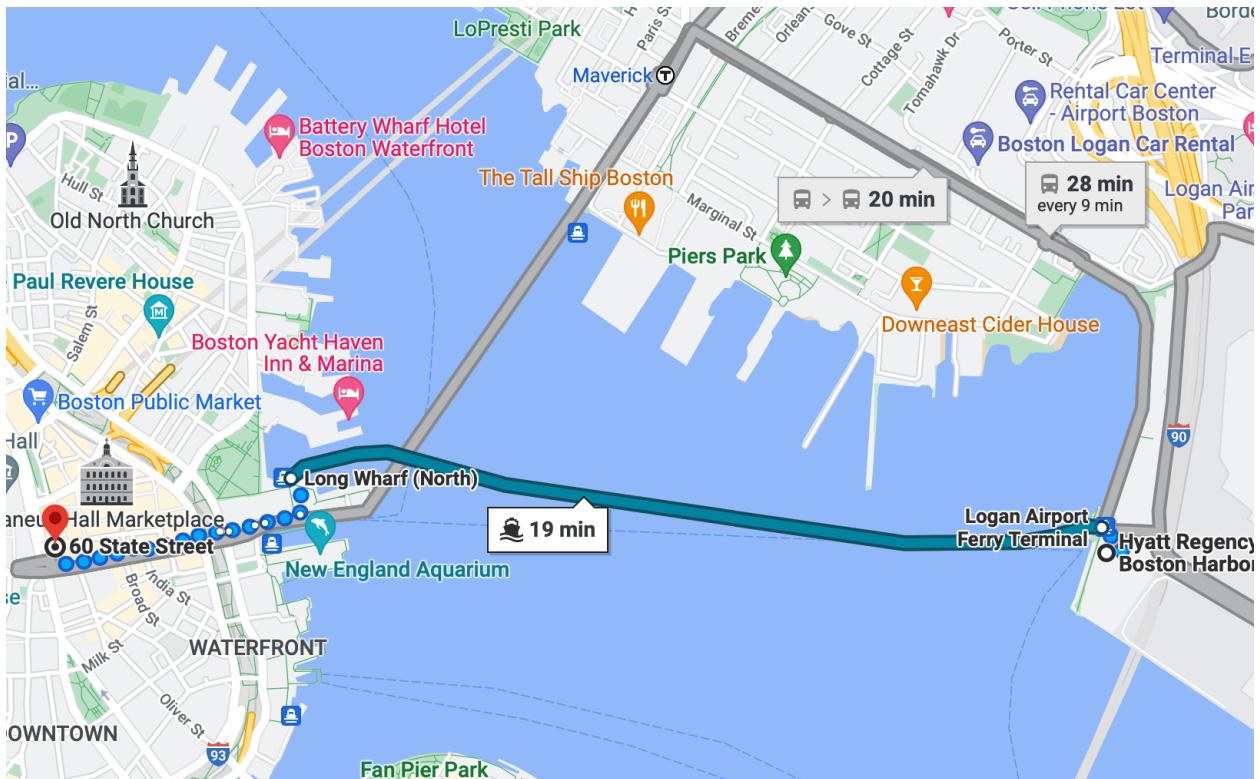

arrive in your room. If you test positive, do not attend any of the events and let your manager or Tommy know immediately and you will be provided with further instructions. We will ask Hubbers to test again each morning before interacting with other Hubbers.

The welcome reception will begin at 6pm at Sam Adams Boston Taproom (60 State Street, Boston, MA 02109). This is the one downtown, not the brewery outside of the city. The taproom is easily accessible via public transportation.

The best option is to take the Blue Line directly into downtown. If you choose this option, go ahead and buy the 7-day Charlie Ticket (Not the Charlie Card! The Charlie Ticket will work on the subway and ferries. The Charlie Card will not work on ferries. The 7-day pass is cheaper than buying two 1-day passes). The hotel has a shuttle to public transportation so the walk shown below is optional.

Another option is to take the ferry from the terminal by the hotel to Long Wharf and then do the short walk down to State Street.

Tuesday - August 9, 2022

Michelle & Katherine will be organizing a trip to Soul Cycle for those interested in something a little more professional. If interested in this, talk to them for more details. This class is not sponsored by GitHub.
